BID PROTEST. The option of protesting the award of a Purchasing Bid is given to any bidder who can document and prove that the City's process—solicitation, pre-bid, bid opening, award of bid, and general dissemination of information pertaining to a particular bid—was non-competitive or otherwise unfair in nature. These procedures are in place as a deterrent against frivolous protests. Protests must be based on process and policy only, not on personal feelings between vendors and the City of San Leandro.

The bidder who wishes to protest a bid process of the City of San Leandro must abide by the following procedures:

- ❑ Written notice must be filed with Finance Director, Assistant Finance Director, Project Manager, and Purchasing Agent within three (3) calendar days of Notice of Award by U.S. Postal Service Certified Mail. The written notice **must be notarized** and the notarized original sent to the Finance Director.
- ❑ Written notice to Finance Director must contain a Bid Protest Bond equal to no less than 25% of bidder's bid price (regardless of bid amount of bidder to whom the contract was awarded). Bond must be in the form of cash, cashier's check, money order, or certified check payable to the City of San Leandro.
- ❑ Written notice must contain a detailed description of grounds for protest, citing specific terms, conditions, provisions, etc. that were improperly or otherwise unfairly executed and the dates on which these instances occurred.

In the event that a bidder withdraws the filed notice of protest prior to final determination by the City, the Bid Protest Bond shall be forfeited to the City of San Leandro, and the bid awarded as originally designated.

- ❑ Should a bid protest be determined to be valid, the City of San Leandro reserves the right to award the bid to the next lowest-responsible responsive bidder, or to reject all bids and the project. The Bid Protest Bond will be returned to the protesting bidder in either case.

CONTRACT RENEWAL. The City reserves the right to extend the bid prices, terms and conditions and special provisions for up to two (2) one-year periods at the discretion of the City and the written agreement of the successful bidder.

THIS AGREEMENT for non-professional services is made by and between the City of San Leandro ("City") and \_\_\_\_\_ ("Contractor") (together referred to as the "Parties") as of \_\_\_\_\_, 20\_\_ (the "Effective Date").

**Section 1. SERVICES.** Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A, and incorporated herein, at the time and place and in the manner specified therein. In the event of a conflict in or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

- 1.1 **Term of Services.** The term of this Agreement shall begin on the Effective Date and shall end on \_\_\_\_\_, the date of completion specified in Exhibit A, and Contractor shall complete the work described in Exhibit A on or before that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. The time provided to Contractor to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as referenced in Section 8.
- 1.2 **Standard of Performance.** Contractor shall perform all services required pursuant to this Agreement according to the standards observed by a competent practitioner of the industry in which Contractor is engaged.
- 1.3 **Assignment of Personnel.** Contractor shall assign only competent personnel to perform services pursuant to this Agreement. Contractor's attention is directed to the City's Municipal Code, Title 1, Article 6, Chapter 6. Contractor must submit completed self-certification form and comply with the LWO, if covered.

**Section 2. COMPENSATION.** City hereby agrees to pay Contractor a sum not to exceed \_\_\_\_\_, notwithstanding any contrary indications that may be contained in Contractor's proposal, for services to be performed and reimbursable costs incurred under this Agreement. In the event of a conflict between this Agreement and Contractor's proposal, attached as Exhibit A, regarding the amount of compensation, the Agreement shall prevail. City shall pay Contractor for services rendered pursuant to this Agreement at the time and in the manner set forth herein. The payments specified below shall be the only payments from City to Contractor for services rendered pursuant to this Agreement. Contractor shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City in writing, Contractor shall not bill City for duplicate services performed by more than one person.

Contractor and City acknowledge and agree that compensation paid by City to Contractor under this Agreement is based upon Contractor's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Contractor. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Contractor and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

  - The Contractor's signature;
  - Contractor shall give separate notice to the City when the total number of hours worked by Contractor and any individual employee, agent, or subcontractor of Contractor reaches or exceeds 800 hours within a 12-month period under this Agreement and any other agreement between Contractor and City. Such notice shall include an estimate of the time necessary to complete work described in Exhibit A and the estimate of time necessary to complete work under any other agreement between Contractor and City, if applicable.
- 2.2 **Monthly Payment.** City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have 30 days from the receipt of an invoice that complies with all of the requirements above to pay Contractor.
- 2.3 **Reserved.**
- 2.4 **Total Payment.** City shall pay for the services to be rendered by Contractor pursuant to this Agreement. City shall not pay any additional sum for any expense or cost whatsoever incurred by Contractor in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.
- In no event shall Contractor submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.
- 2.5 **Reserved**

Contractor shall maintain adequate logs and timesheets to verify costs incurred to that date.
- 2.9 **Authorization to Perform Services.** The Contractor is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

**Section 3. FACILITIES AND EQUIPMENT.** Contractor shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City may, in its discretion, provide Contractor facilities and equipment that may be necessary, but only after City is satisfied that Contractor and its individual employees are trained to use such facilities or equipment safely and properly.

**Section 4. INSURANCE REQUIREMENTS.** Before beginning any work under this Agreement, Contractor, at its own cost and expense, unless otherwise specified below, shall procure the types and amounts of insurance listed below against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Contractor and its agents, representatives, employees, and subcontractors. Consistent with the following provisions, Contractor shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects, and that such insurance is in effect prior to beginning work to the City. Contractor shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence that such insurance is in effect to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Contractor shall maintain all required insurance listed herein for the duration of this Agreement.

The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than \$1,000,000.00 per accident. In the alternative, Contractor may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Contractor, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

4.2 **Commercial General and Automobile Liability Insurance.**

4.2.1 **General requirements.** Contractor, at its own cost and expense, shall maintain commercial general and automobile liability insurance for the term of this Agreement in an amount not less than \$1,000,000.00 per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a Commercial General Liability Insurance or an Automobile Liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles. All copies of policies and endorsements shall show the signature of a person authorized by that insurer to bind coverage on its behalf. If the City does not receive the required insurance documents prior to the Contractor beginning work, it shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete copies of all required insurance policies at any time.

4.4.3 Deductibles and Self-Insured Retentions. Contractor shall disclose to and obtain the written approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, employees, and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration and defense expenses.

The Contractor's obligation to defend and indemnify shall not be excused because of the Contractor's inability to evaluate Liability or because the Contractor evaluates Liability and determines that the Contractor is not liable to the claimant. The Contractor must respond within 30 days, to the tender of any claim for defense and indemnity by the City, unless this time has been extended by the City. If the Contractor fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any other remedy authorized by law, so much of the money due the Contractor under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Contractor accepts or rejects the tender of defense, whichever occurs first.
