

FLU SHOT CLINIC

Friday, October 23, 2015

9:00am - 2:00pm

Don't catch the flu - stay healthy this flu season! Please come get your flu shot. Nurses from Sutter Care at Home will be on site to administer flu immunizations.

Fee is \$5.00. *If you are covered by Medicare Part B, there is no cost for the shot. See reverse for FAQs.*

***This is a drop-in program.
First come, first served!***

FLU SHOT CLINIC FAQs

How much are the shots?

The flu shot is \$5 and preservative-free flu shot is \$35 (for those pregnant or allergic to thimerosal)

If you are covered by Medicare, is your shot free?

If you are covered by **Medicare Part B**, there is no cost to you for the shot. Sutter Care at Home will bill Medicare for payment. We will verify coverage by checking the red, white and blue Medicare Part B card at the time of the shot.

Are Medicare HMOs the same as Medicare Part B?

No. If you are covered by a Medicare HMO, such as Pacificare, Medicare Advantage, Kaiser, SecureHorizons, Healthnet Seniority Plus, CHAMPUS, etc., you need to pay for your shot at the clinic or see your own health care provider for a shot.

What about non-Medicare insurance, such as Kaiser, PacifiCare, Healthnet or Blue Cross?

Other than Medicare Part B, Sutter Care at Home cannot bill insurance companies for a shot. If you do not have Medicare Part B coverage, you will need to pay in order to receive a shot at the clinic. We will provide a receipt for you to submit to your insurance company for possible reimbursement of all or part of what you've paid. Sutter Care at Home is not responsible for any difference between what you pay and what you may receive as reimbursement.

Do you give shots to children?

We provide shots for children ages 3 and above if accompanied by a parent or guardian. We provide FluMist for children 2 and above if accompanied by a parent or guardian.

Do you give shots to pregnant women?

We provide shots for pregnant women regardless of Trimester.

What if this is my first flu shot?

If this is your first time receiving a flu shot, please plan on remaining at the clinic for 10 minutes after you get your shot, in the unlikely event that there is a reaction to the shot.

Sutter Care at Home is a local, not-for-profit home health care provider. Proceeds from our flu shot clinics support our not-for-profit mission of providing home healthcare and hospice services to all those in need in the community, regardless of ability to pay.
