Certificate of Appreciation

In recognition of outstanding efforts enhancing
the safety, health, and welfare of children

San Lorenzo Unified School District

is hereby awarded this Certificate of Appreciation for exemplary efforts in supporting the City of San Leandro's Safe Routes to School Program and the activities associated with Bike to School Day in May 2013. The San Lorenzo Unified School District's support of the Safe Routes to School Program has been a great value to the community our families and has helped further the common goal of making our City a better place in which to live.
