

Creating the Next Generation Workplace District in the Central San Leandro Industrial Area

You're Invited !

The City recently commissioned a planning and economic development study by renowned urban design firm, Freedman, Tung + Sasaki to provide recommendations on transforming the central industrial area into a 21st century center for innovation and jobs. Come hear the findings and recommendations which include opportunities from the soon to be completed Kaiser Permanente Medical Center and the Lit San Leandro fiber optic loop.

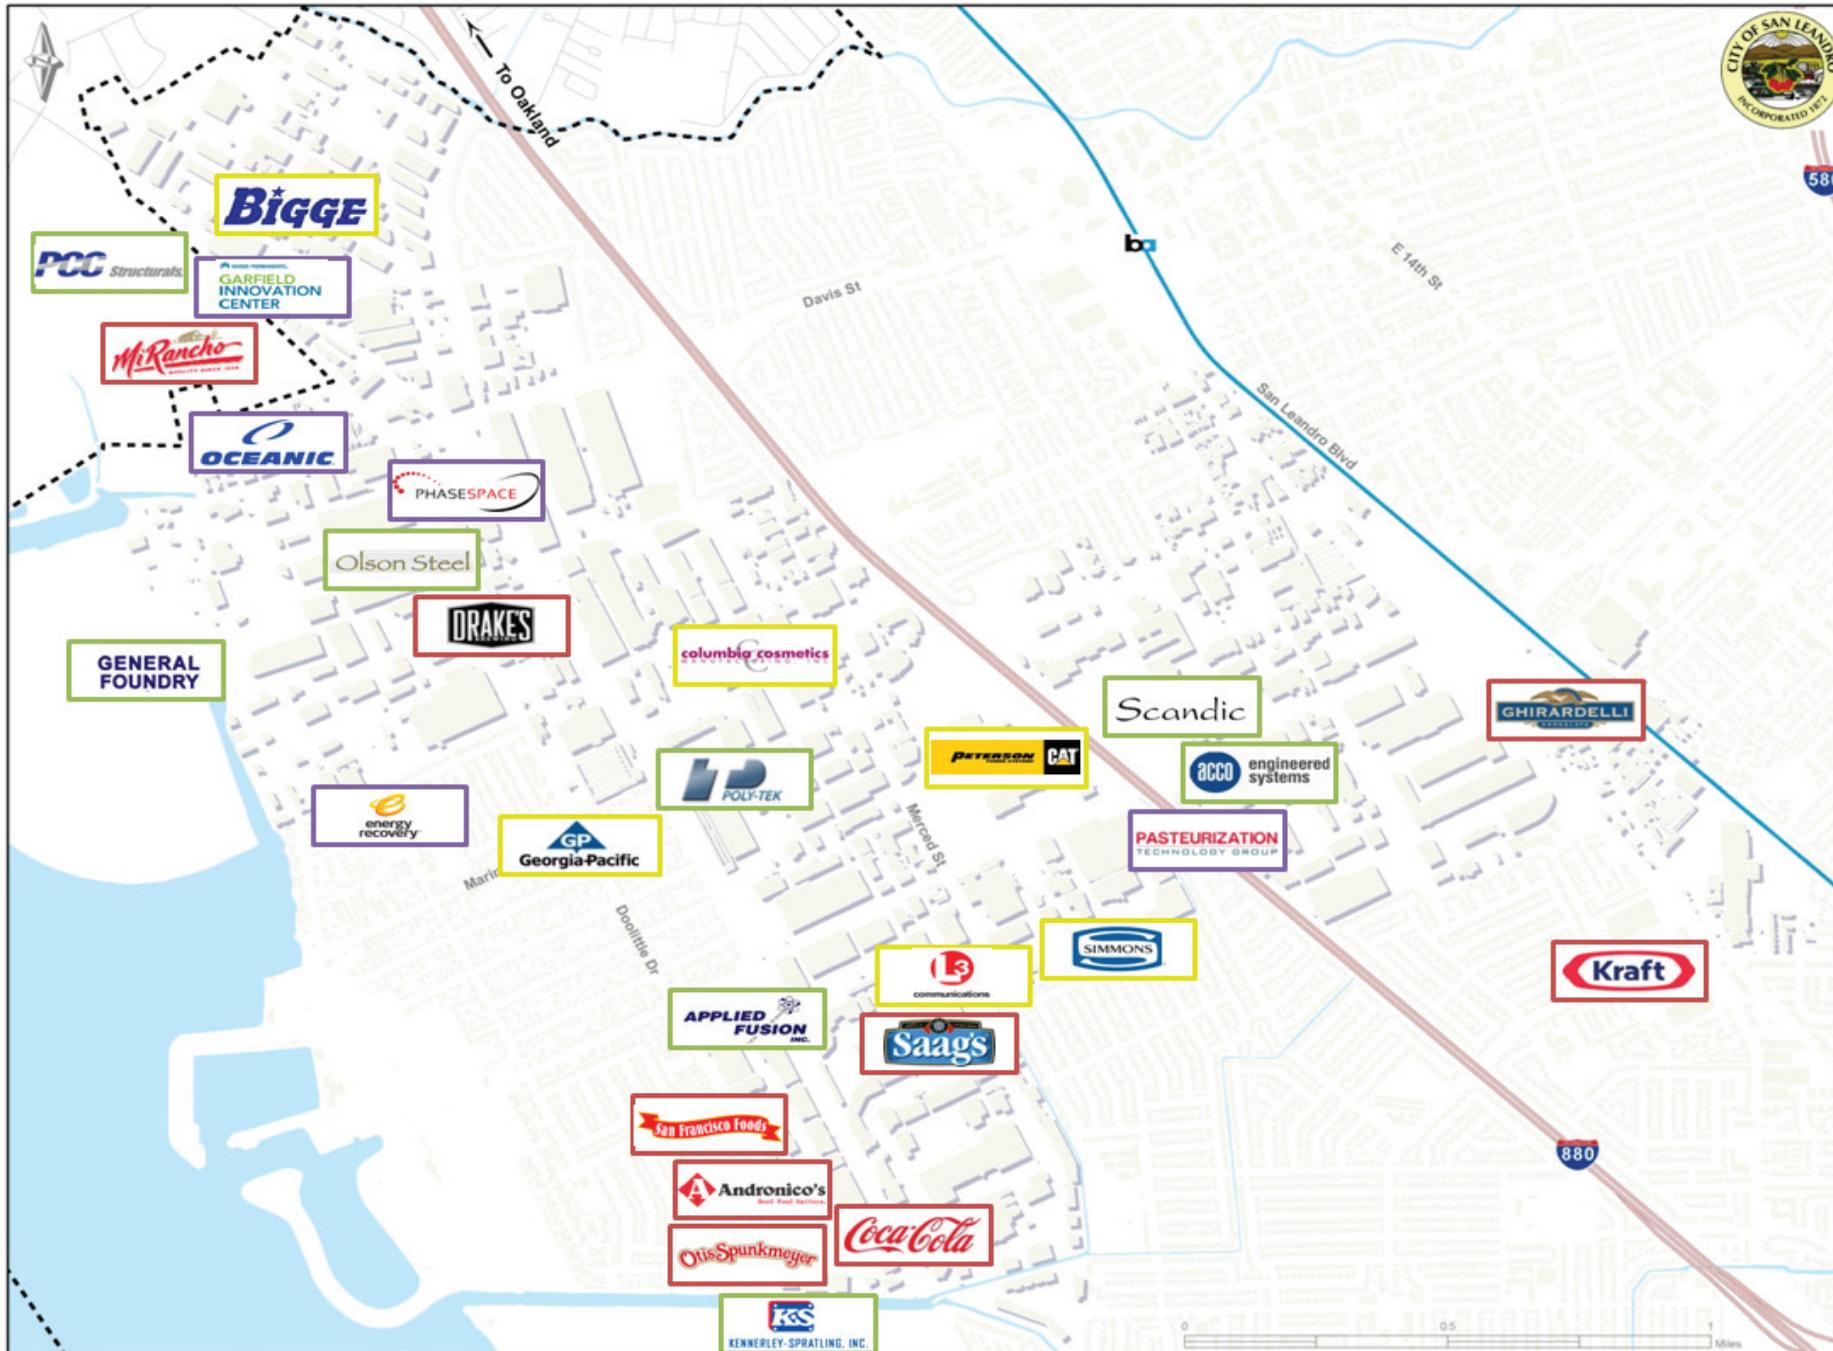

Wednesday • October 2, 2013
4 pm • Program
5 pm • Networking and Reception

Zero Net Energy Center / Alameda County Electrical JATC
14600 Catalina Street, Room 114
San Leandro, CA 94577
