## **CITY OF SAN LEANDRO**

### **STAFF REPORT**

**Date:** September 2, 2015

**To:** Chris Zapata, City Manager

**From:** David Sams, Golf Consultant  
Debbie Pollart, Public Works Director

**Subject:** **SAN LEANDRO CITY JUNIOR GOLF CHAMPIONSHIP**

---

### **SUMMARY AND RECOMMENDATION**

This report is for information only, and no action is required.

### **BACKGROUND**

Each summer since 1963, the San Leandro City Junior Golf Championship has been played at Monarch Bay (formerly the San Leandro Golf Complex). Originally, this event had 30 to 40 participants, ages 7 to 18, from San Leandro and surrounding communities competing in this one-day event.

### **DISCUSSION**

This year, the San Leandro City Junior Golf Championship was held on both courses at Monarch Bay on August 13th. Over 180 entries were received, again making the San Leandro City Junior Championship one of the largest junior golf tournaments in Northern California. The overall boy's champion this year was Matt Lloyd from San Jose with a score of 66 and the overall girl's champion was Michelle Xie from Palo Alto with a score of 71. Other flight winners were:

Boys 16-18-Joson Ralph, Sunnyvale  
Boys 14/15-Wallace Lin, Los Gatos  
Boys 12/13-John Hecklel, San Jose  
Boys 10/11-Krishan Patel, San Jose  
Boys 7-9-Gregory Tom, san Ramon

Girls 15-18-Audrey Lin, Fremont  
Girls 12-14-Maddie Jun, Mountain View  
Girls 10/11-Jasmine Chen, Pleasanton  
Girls 7-9-Emily Luo, Danville

The continued success of the tournament is due largely to the volunteers from American Golf and the San Leandro Golf Club at Monarch Bay. The Public Works Department has managed this event since 1996. Under Public Works administration, this tournament has grown from 55 participants in 1995 to well over 300 participants in 2007. Due to the difficult economic times as well as competing junior golf events, participation at all junior golf tournaments are down from the peak year in 2007. However, San Leandro City Junior Golf Championship remains one of the largest junior golf tournaments in Northern California.

### **CONCLUSION**

The San Leandro City Junior Golf Championship has grown to be one of the largest single-day City Junior Golf Championships in California. The Public Works Department and American Golf continue to grow the game of golf by hosting various junior golf competitions at Monarch Bay. Other junior events include the High School Girls Spring Invitational and the High School Boys Fall Invitational. Over 400 juniors participate in golf events managed by the Public Works Department on an annual basis.
