

A FREE Community Education Program

Hearing Health 2016 and Beyond

Thursday, June 30, 2016

9:30am - 11:00am

Course #9119

Dr. Beth Ehrlich, AU.D and Dr. Kenneth Smith, PhD will explain the causes of hearing loss and how to prevent it, what steps you should take to have your hearing evaluated, what's new in hearing aids and why you might want to consider updating yours.
