

## San Leandro Police Department • Proud to Serve

---

### Chief's Advisory Board Meeting Notes Tuesday, September 13, 2016

#### **ANNOUNCEMENTS**

- MedEvac Rescue Vehicle – Press Release Tuesday, September 13, 2016
  - Policy in Place
  - Implementing Training Schedule
  - Vehicle Will Help all First Responders Including Police, Fire, and EMT
  - Vehicle is Equipped With a Fire Nozzle Enhancement
  - A Date Will be Scheduled in the Future for the Board to See the Vehicle
  - Regional Asset - Our Policy Will Govern Operations in the City of San Leandro

#### **MEETING GOALS**

- Reviewed Agenda/Itinerary to Accomplish During Meeting

#### **NEW BUSINESS**

##### **Youth/College Advocacy**

- Chief Tudor Discussed a Recommendation by Youth Chief's Advisory Board Member, Alison Diep
  - Suggestion for the San Leandro Police Department to Host Lecture Series to the Youth in our Community to Provide a Better Dialogue/Understanding
  - Chief Tudor Mentioned Reaching Out to the Leadership Class at San Leandro High School, Study Hall, and Youth Sports Programs in Schools
  - Opening the Lines of Communication/More Interaction With Students

##### **City Council Draft Presentation**

- Reviewed Draft City Council Presentation With the Chief's Advisory Board
  - Board Members Provided Feedback and Suggestions
- Suggestion by a Board Member to Tie this presentation to the Council's Upcoming Trip to Washington DC so They Can Lobby for our Department
  - Provide the Council with Food for Thought/Ideas
- Concern that the Presentation Will Exceed the Allotted 20 minutes – Too Much Information
- Suggestion That the Presentation Should Show How Our Department Represents the Diversity of San Leandro
  - Communicate the Ethnic and Cultural Diversity in the Department
- Unity in the Community Partnering with the San Leandro Police Department

##### **Roundtable**

- A Board Member Asked That we Spread the Word on Facebook Since we are only 38 Likes Away From having 5,000 Followers on the San Leandro Police Department Facebook Page
- Discussed Safety Mechanisms in Police Patrol Cars That Allow Equipment in the Cars to Run in Absence of a Key
  - The Vehicle Can Only Be Driven/Operated Once the Key is Placed in the Ignition

##### **Adjournment**
