"Prepare San Leandro" Program Update

Prepare San Leandro, the City's new adopt-a-drain initiative aims to reduce localized flooding during the rainy season by harnessing the power of community. Residents are gearing up for the winter storms by adopting storm drains near their home or work. Since the program launch in October of 2016:

- 93 drains have been adopted by residents throughout the city;
- 37 residents have reported drain cleaning efforts; and
- 121 gallons of debris have been removed from drain tops by residents.

These efforts go a long way to assist Public Works crews in keeping the streets clean and the inlets functioning properly. Staff will concentrate on enlisting businesses along the E. 14th corridor and will also focus outreach on ‘critical’ storm drains. To learn more about the program, please visit www.preparesanleandro.org.

Main Library Closure (Attached)

The San Leandro Main Library is now closed for renovations through Sunday January 22, 2017, and is scheduled to reopen to the public on Monday January 23rd. Please see the attached memo, press release and multi-lingual outreach materials for detailed closure information.

San Leandro Main Library to Receive New Carpet and Furniture Main Library Will Be Closed From December 19, 2016 through January 22, 2017

San Leandro, CA: The San Leandro Main Library is set to receive new carpet and furniture over the upcoming holiday break. In order to complete the scheduled improvements, the Main Library, including the meeting room wing, will be closed from Monday, December 19, 2016 through Sunday, January 22, 2017.

During the closure, community members and library card holders may take advantage of enhanced service hours at the branch libraries, as well as extended rental time of checked-out materials. San Leandro has three branch libraries:

- Manor Branch Library, located at 1241 Manor Blvd.;
- South Branch Library, located at 14799 E. 14th St.; and
- Mulford-Marina Branch, located at 13699 Aurora Dr.

The renovation project was made possible by leveraging local Measure HH revenue and a donation from the San Leandro Public Library Foundation. The Foundation generously provided funding for furniture and project design. Outreach material regarding the closure also will be distributed at all City facilities and will be made available in Spanish and Chinese.

The City of San Leandro greatly appreciates the public's patience as this temporary closure will allow for a significantly enhanced visitor experience to San Leandro's world class library. The 87,000 square-foot library is equipped with many facilities that will continue to be available to

the public following the carpet and furniture upgrades, including a computer lab, free high-speed internet access, study tables, and a collection of over 250,000 books. For more information about the closure, please contact the Information Desk at 577-3971 or visit the Library's website at www.sanleandrolibrary.org.
